Comments:

I am a fulltime pastor in the Netherdutch Reformed Church of Africa, located in Klerksdorp Doringkruin. There are about 1200 members in the congregation. I am also a part-time lecturer at the University of Pretoria.

I hope to facilitate larger groups in TRE in the community, especially in communities which are traumatized. I am also keen to find out in which way TRE can be best implemented as a program in the congregation. I think I can help a lot of people in this region with TRE.
