Cedo is a Naturopath, Craniosacral therapist and TRE practitioner with a background in physical movement, family constellations, holotropic breathwork, and martial arts.

He has been working and lecturing in the field of alternative medicine for the last 16 years.

He has worked as a therapist with thousands of people in UK, USA, Serbia and Italy.

Cedo speaks English, Serbian and Italian.

Cedo lives in Italy and treats and teaches in Italy, UK and Europe. He is greatly inspired by his ongoing research and study of human body and mind, esoteric traditions, embryology, physics, sacred geometry, biology, nature and revolutionary transformation through TRE.
