Melanie is CEO of One Vision Africa, the company she started with her husband Lawrence to administer the TRE training within South Africa

Dr Melanie Salmon was a GP in the UK for 35 years alongside a private practice in Gestalt Psychotherapy and other modalities.

She returned to South Africa after training in TRE in 2009 to run the TRE training programme with David Berceli from April 2010.

She is now the Principle Senior Supervisor for a thriving TRE training community nationally.
