COMMENTS:

Saskia is the Managing Member of Sa-san Training & Transformation based in Durban, South Africa. Her experience was gained through her work in and consulting with a number of organisations and partnering on projects in South Africa, Southern Africa and the Middle East. Saskia specializes in facilitation, coaching, team building, and managing change. As a result of Saskia's breast cancer journey she runs wellness programmes, is a motivational speaker, in person, on television and radio. She is also a director of programmes. Saskia is an accredited Level 1 Trauma Prevention Practitioner. This has deepened her ability to assist others on the path to wellness
