## An Intimate workshop

- open to all trainers, trainer trainees, mentors, TRE providers and those in the certification program -

**SEPT 12-14 2017 | 9:30AM - 5PM**

**LEARN HOW TO READ THE SUBTLE CUES OF PULSATION, AS A FORM OF DEEPER COMMUNICATION, BETWEEN THE TRE PROVIDER AND PARTICIPANT**

### Objectives:

- ◆ Observe how to follow the participants' visible pulsation;
- ◆ Learn how to enhance your unique, creative and intuitive skills as a TRE Provider;
- ◆ Examine "nerve innervations" and "muscle attachments" along the spinal column as they apply to TRE interventions
- ◆ Practice transference and countertransference as a real-time example of how we act, interact and react with each other in the TRE process.
