\$925 after January 31, 2017

## EVENT DETAILS

We will start the TRE Advanced training addressing questions you may have as a result of your TRE training and expanded experiences.

**1. Where are You? --- What do you know? --- What do you want to Learn?**

- Continued focus on developing internal awareness of oneself
- Refine the observation of the tremor mechanism and its integration through the human organism

**2. Taking TRE to the next level: The necessity of personal practice**

- The TRE Learning Experience: the key to becoming a more insightful TRE provider
- Developing new internal awareness
- Challenging ourselves to greater personal depth
- Building TRE community: Personal Support & Partnerships

**3. TRE Provider Growth: Obstacles -- Observation -- Supervision**

- The Global TRE process and experience
- Expanding the view of the Poly Vagal Theory
- Attachment Theory, Transference & Counter-transference

**4. Neurophysiology of TRE**

- The Emotional Motor System
- Central Pattern Generators (CPG's)
- Intrinsic Connectivity Networks (ICN)

**5. TRE Advanced Intervention**

- Dr. Berceli will be demonstrating some of the various ways he works with others.

*\*\*\*This Advanced Training is designed for the TRE Provider who has completed M1/M2 as well as Certification Trainers who want to deepen their personal insight and professional competency\*\*\**
