

3-Day Advanced Training

A Specialized Training

GOING DEEPER

WITH DR. DAVID BERCELI

open to all CT's, CT trainees, mentors, TRE® providers and those in the certification program

LEARN HOW TO READ THE SUBTLE CUES OF PULSATION, AS A FORM OF DEEPER COMMUNICATION BETWEEN THE TRE® PROVIDER AND PARTICIPANT.

September 12-14th | 9:30-5:00 pm

Radisson Hotel 517 Grande Canyon Dr Madison, WI

~Includes 3-Day Advanced Training Certificate~

\$500 Early Bird Pricing • \$550 after August 12 • call 608-833-0100 for TRE® Block reduced room rate

TRAINING INCLUDES:

- **Dr. Berceli will demonstrate how to follow the participants' observable pulsation.**
- **Learn how to enhance your unique, creative and intuitive skills as a TRE® Provider.**
Participants will demonstrate how they follow the organism in front of others for mutual feedback and learning.
- **Learn basic Anatomy and Physiology concepts in TRE®.**
We will look at the "nerve innervations" and "muscle attachments" along the spinal column as they apply to TRE® interventions.
- **Transference and countertransference as a real-time example of how we act, interact and react with each other in the TRE® process.**
