

Taking TRE to the Next Generation in North America!

Are you from North America and
would like to be a
Certified TRE® Provider?

WE NEED YOU!

Module 1 Online

**Aug 8 & 9
9:00am - 4:00pm MST**

**This Module 1 is part of the MTT Pilot Program,
which is a training within a training**

We have an incredible group of MTT's (Mentor to Trainers), and now we are looking for awesome people just like *YOU* that want to learn TRE and work toward the designation of TRE® Certified Provider.

The TRE MTT Program was created and is directed by both Dr. David Berceci and Donna Phillips. The MTT's are studying and learning the many parts to becoming a TRE Certification Trainer; and will be teaching the modules and working directly with you through your TRE journey.

David and Donna will be on all Modules and will be the direct supervisors over both training programs,

- providing supervision
- support and
- any assistance during the entire MTT Training & the Provider Training - GCTP.

**No other training has ever been offered with
this level of individualized attention.**
